**sexual contract pateman  
major reference works**

May 17th, 2020 - the second  
sense refers to the general  
domination of women by  
men in any society the  
sexual contract is enforced in  
a variety of forms ranging  
from legal sanction for  
powers of husbands to  
prevention of women  
earning a living men s  
government of women is one  
of the most deeply  
entrenched of all power  
structures'

**'social science dictionary  
with a durkheim bias**

June 2nd, 2020 - social  
model of health and illness  
the social model of health is  
an extension of the social  
model of disability it is a  
different concept from the  
social approach like the  
social model of disability it  
draws a distinction between  
individual impairment and a  
disabling society the  
individual may experience or  
be seen to have an  
impairment'

**'sociological perspectives of  
health and illness**

May 18th, 2020 - responses  
to the challenges of poor  
health or through their  
attempts to maintain good  
health the influence of  
social structures can be  
examined sociological  
perspectives of health amp  
illness would be weled by  
students across a wide
