April 11th, 2020 - in a 2001 book secret knowledge rediscovering the lost  
techniques of the old masters hockney analyzed the work of the old masters  
and argued that the level of accuracy represented in their work is impossible  
to create by eyeballing it since then hockney and falco have produced a  
number of publications on positive evidence of the use of optical aids and the  
historical plausibility of such methods" book review secret knowledge
