---

---

## **'Can You Handle The Risks Of Being A Daring Interior**

April 28th, 2020 - All the practicality and rules associated with running a business are mostly foreign to interior designers who are starting their own business selecting finishes that are perfect for a multi million dollar home or designing construction details that show how those materials will all be put together'

## **'Use conditional formatting to highlight information Excel**

April 29th, 2020 - In Excel use conditional formatting to highlight information Use various built in rules for mon highlighting scenarios such as Top 10 values or use formulas to do more than you can with the built in rules For example

---

---

format blank cells or see which salespeople are selling above average or track who has received birthday greetings from you'

### 'Importance of Lighting in Interior Design Home Guides

May 4th, 2020 - The lighting in a home changes the mood of a room just as it does the perceived size of a room Placement and type are important aspects of interior design and they work in conjunction with color'

### 'Crown Molding Design Rules Pro Remodeler

May 3rd, 2020 - Lucky for us there are rules for molding that were literally carved in stone a long time ago This article draws on those tried and true forms to

---

present three design rules  
for crown molding  
RULE 1  
The parts should reflect  
the whole  
A quick review  
of the classic  
architectural tradition  
shows a unity and harmony  
of parts'

'How to choose colours  
like an Interior Designer  
May 1st, 2020 - 11 colour  
design rules to help you  
choose colours like an  
Interior Designer  
Colour has 3 attributes  
these 3 attributes  
bined help to identify  
and distinguish colours  
from each other  
Hue ? the identification  
of a certain type of  
colour'  
*'How to decorate  
Seven golden rules of  
decorating*

*April 17th, 2020 - An  
armoire makes a stylish  
focal point in a small  
bedroom ? those with  
glazed or wire fronted  
doors rather than solid*

---

---

ones are best A bold architectural fireplace will have a similar effect Use panelling to break up big expanses of bare wall or paint up to dado height with a colour and white above'

### **Tips for Choosing Interior Paint Colors The Spruce**

May 2nd, 2020 - One of the easiest ways to choose interior paint colors is to start with a print fabric Throw pillows bedding and even table linens can provide you with paint color ideas If you re creating an accent wall look to the boldest colors in the print If you would like to choose a paint color that is more subtle or for a larger space look at'

'Rules of Painting a Room With Two Colors Home Guides

---

May 4th, 2020 -

Experienced interior decorators utilize some basic rules of color selection based on where a color falls within the visible light spectrum as arranged on a 360 degree color wheel' '8 Landscape Design Principles Garden Design

November 30th, 2018 - A final rule related to scale and the sculpting of space is this Go big Faced with a decision to make a staircase wider or narrower a pool longer or shorter a pergola higher or lower the answer is almost always the former In my own garden I remember laying out an arbor with its posts 10 feet high and listening to trusted friends'
