'maulwurfstadt by torben kuhlmann

May 18th, 2020 - a surrealist picture book almost without words about the foundation and development of a mole city it s a bit like john marsden s the rabbits and a bit like j g ballard s billennium but has a style all its own there is a beautiful animated trailer version here a remarkably apposite passage from pynchon s against the day

which i came across a couple of days later' 'maulwurfstadt in apple books
