'the art of breaking things well
vincent levrat's outburst

May 27th, 2020 - there's an art to breaking things well and while levrat didn't necessarily set out to make a metacritical statement the more i look at outburst the more it strikes me as a tongue in cheek takedown of photobook culture the original dummy for outburst was a massive object roughly the size of a breezeblock laughably mockingly oversized" ***breaking things by bilobasideya on deviantart***
