Applied Ecopsychology in Australia by Rosemary Baillie

November 21st, 2019 -
Applied Ecopsychology in
Australia Approaches to
Facilitating Human Nature
Connections by Rosemary
Baillie Introduction The
world is in an increasing
state of ecological crisis
and this has provoked a
search for ways of
achieving ecological
sustainability'

'Biopsychology Teaching Psychology for Sustainability

December 22nd, 2019 -
Evolutionary Psychology and
Biophilia According to
evolutionary biologist E O
Wilson 1984 humans have an
innate affinity for nature
that he calls 'biophilia'
In various writings on
biophilia by Wilson and
others e g Kellert 1997
Kellert amp Wilson 1993
this affinity is described
as a love of nature an
attraction to nature and a
feeling of connection to
nature'
