the shortcut to violin
technique
May 14th, 2020 - my
understanding having read
and practiced from ricci

s two books glissando and his earlier left hand technique is not to merely ignore or deny the post spohr violin hold with the jaw and shoulder idea but to incorporate the pre spohr thumb as pivot technique shifting with the wrist and using position extensions while centering the palm around the rib of the instrument where possible'

**'book ricci on glissando
the shortcut to violin
technique**

April 19th, 2020 - if i
remember this correctly
ricci was responsible for
placing much of the
unaccompanied show pieces
including the pag
caprices into the mon

violin repertoire he was in the army during ww ii and had to travel around with his violin and entertain the troops usually without and accompanist so he raided the unaccompanied violin repertoire for showy pieces to play'
