June 1st, 2020 - you know we think genesis  
but there could be a book that was written  
by moses we believe but was actually older  
than the book of genesis possibly the book  
of job and it is interesting in the book of  
job we do find some statements that is made  
that show us that there is far more to an  
understanding of the earth than is credited  
to people living back in those days'
