plays and sings the blues by john lee hooker album delta

*April 19th, 2020 - anyway that has nothing to do with plays and sings the blues in fact i am happy to listen to a true genuine master like john lee hooker the songs on plays and sings the blues were recorded in 1951 2 and finally released a decade later the songs are fairly quiet with just guitar bass and hooker s archetype voice"***frank zappa a guide to his best albums louder**

June 5th, 2020 - frank zappa a guide to his best albums it s a hard rock album that presents the listener with only a modicum of challenge and including the likes of the acidic blues jam willy the pimp from hot rats and i m the slime from over nite sensation'

'the very best of the doors the doors songs reviews

*May 23rd, 2020 - the various releases of the very best of the doors during 2001 and 2007 in the u s and the u k are very similar both in their single disc and double disc permutations as well as a limited edition that adds a dvd to the two cd version so it s very easy to get all three pilations confused that said there are notable differences between all three u k ps and the original u s set'***february 2017 top 10 reviews living blues magazine**

May 21st, 2020 - the rolling stones blue amp lonesome polydor interscope b0025916 02 the sessions that resulted in the rolling stone s blue amp lonesome which took place over three days were not so much aimed at making a new studio album as they were at capturing a band performing the blues in progress and in motion when mick jagger states that the band could not have done the album in the early 1960s'
