'best german heavy metal bands liveabout

June 2nd, 2020 - scorpions are our number one german metal band
of all time for their bination of talent and longevity they even had
radio hits in two different decades in the u s with rock you like a
hurricane in the 80s and winds of change in the 90s 1982 s blackout
is probably their best album but their 1970s releases are really
underrated and overlooked especially by younger fans"**the collector

May 22nd, 2020 - this is by far the worst of three the collector s
guide to heavy metal books even so it s good to get a great list
of albums from the seventies this is the worst in my opinion
simply because popoff s writing is at its most obnoxious ever
incredible how the guy improved with the years'
