'stephen hawking by m<sup>a</sup> isabel sánchez vegara

**May 4th, 2020 - stephen hawking by maria isabel sanchez vegara is another addition to the beloved little people big dreams series while the quality of both the text and illustrations certainly lives up to the standard of excellence that we have to expect from this wonderful series i did find the story itself to be marginally scaled down and somewhat simplistic pared to previous books"stephen hawking by isabel sánchez vegara kirkus reviews**

*December 14th, 2019 - a first introduction to the greatest scientist of the past half century hawking makes a worthy but not an easy subject for an elementary grade profile as the likelihood that younger audiences aren't really up on the ins and outs of quantum theory or gravitational singularities limits the author's tally of his scientific contributions to a mention sans meaningful context of hawking'***stephen hawking maria isabel sánchez vegara 9781786037329**
