slightly spicy'' *figuring shit out life
seems to dish it out i seem*

May 21st, 2020 - well it s taken me a while but here it is my first blog post in the midst of this inprehensibly weird scourge while i ve written plenty of coronavirus stuff in my other life as a times union staffer i ve struggled to find the energy and insight to post something meaningful here i need to weigh in i kept telling myself i have a

platform' 'working people of california
April 3rd, 2020 - in this extract from
her book *dishing it out* waitresses and
their unions in the twentieth century
dorothy sue cobble explores the
vicissitudes of women s trade unionism
from the early twentieth century until
world war ii she argues that from the
outset waitresses defined their goals in

explicitly self conscious ways
announcing their intention to further
the rights of working women and to bring
about economic and political equality
with men'

'how to remove a union

*June 5th, 2020 - removing a union is not
an easy task but it is possible as long*

as the employees take correct legal steps the first thing to note however is that employers cannot force a group of union workers to de unionize and that workers who do wish to de unionize do not need to ask their employers'
