**'How did owly e to mean  
irritable or grouchy**

May 1st, 2020 - The feeling

---

---

owly examples seem to support this derivation

However the scowly owly and looking kind of owly examples imply a derivation based on an owl's appearance I think the true answer is a bit of both

---

---

owly means grumpy both because owls often look grumpy and because owls don't like to get up in the morning and thus are grumpy"
