history

April 21st, 2020 - in his 2015 book *Noise Uprising: The Audiopolitics of a World Musical Revolution* Michael Denning explores the musical revolution that took place in port cities ranging from Havana to Jakarta between 1925 and 1931. 'Remaking the World of Music' History Workshop Journal

May 2nd, 2020 - in *Noise Uprising* Michael Denning seeks to expose the origins of our musical world. The current soundscape took shape he argues between 1925 and 1930 when engineers and executives from western record companies embarked on a speculative recording frenzy travelling the globe in search of

performers whose music could be pressed onto 78rpm shellac discs to be exported and resold to local'
