case study houses by taschen classic driver market

May 11th, 2020 - the case study house program 1945 66 was an exceptional innovative event in the history of american architecture and remains to this day unique the program which concentrated on the los angeles area and oversaw the design of 36 prototype homes sought to make available plans for modern residences that could be easily and cheaply constructed during the postwar building"case study houses smith elizabeth a t gössel peter

May 29th, 2020 - the case study houses the plete csh program 1945 1966 by taschen is a wonderful prehensive study of some of the best of the archetecural projects created from this time period the principal photography by julius shulman is breathtaking and some of the original vintage photos are presented on two pages within the huge book"*dc hillier s mcm daily case study house 20 b*

June 1st, 2020 - case study house 20 b is one of my personal favorites of the case study program it also happened to one of the smallest and was the least expensive of the case study houses to build csh 20 b also demonstrates quite well that the relationship between the architects and the home owners need not be a clash of personal wants versus design solutions'
