May 13th, 2020 - price to book ratio (P/B ratio). The price to book ratio (P/B ratio) is a ratio used to pare a stock's market value to its book value. It is calculated by dividing the current closing price of a stock by its book value. *Sparknotes: The Remains of the Day Plot Overview*.

June 3rd, 2020 - *The Remains of the Day* is told in the first person narration of an English butler named Stevens. In July 1956, Stevens decides to take a six-day road trip to the West Country of England, a region to the west of Darlington Hall, the house in which Stevens resides and has worked as a butler for thirty-four years.

'the remains of the day by Kazuo Ishiguro Goodreads

June 2nd, 2020 - *The Remains of the Day* is a wonderful book to close my reading year in 2017. This book was first published in 1989, and since then there have been countless professional reviews on it. That everything I said here, although they are my honest opinion, would most likely be just something similar to any of those reviews.
