'customer reviews the beginning of desire

May 5th, 2020 - reviewed in the united states on february 12 2018 this book develops an insightful and intellectually satisfying discussion of genesis using insights from the midrash psychoanalysis and literature the depth of the discussion leads the reader far beyond christian exegesis and demonstrates the playfulness and creativity of interpretation that frees biblical study from narrow mindedness and literalism making the text far more relevant to people living in the 21st century'
