*June 1st, 2020 - a decade or so ago a friend showed me his copy of a  
book called make a chair from a tree now who could possibly resist a  
title like that with its step by step procedures for making a  
ladderback chair the book introduced me to what has e to be known as  
green woodworking so named not because it is any more environmentally  
conscious but because it uses green wood straight from the  
tree''windsor chairmaking book 1976 worldcat*
