dorset fotovue

May 24th, 2020 - early
spring can be one of the
hardest times of year to
photograph during march and
most of april the trees are
still bare but with dorset
s mild climate frosts at
this time of year are rare
locations can often be dull
and muddy without the mood
and atmosphere that winter
can bring april is well
known for showery
conditions'

'dorset

June 3rd, 2020 - dorset
lends itself to slow travel
its quintessentially
english rural landscapes
bountiful local produce
even the lilting dorset
accent has an unhurried
lullaby quality it has no
large cities and its only
heavily populated area
poole and bournemouth is
discreetly tucked into the
southeastern corner'
