*May 16th, 2020 - girl logic is a collection of essays in which shlesinger details how to make the constant monologue in your head and any supposedly irrational feelings you have work for you instead of against you don t get me wrong this isn t self help nonsense or a collection of banal advice from someone who has no business giving advice'* **girl logic the genius and the absurdity by iliza shlesinger**

*May 24th, 2020 - girl logic refers to the logic that us women have where we obsess over tiny details in every situation mostly about things that men might not necessarily notice now i can look over the fact that shlesinger has generalised all women and lumped them into i loved the sound of shlesinger s part memoir part humorous take on life'*
