'norby robot for hire by Janet Asimov librarything
May 17th, 2020 - this particular book collects the third and fourth stories in the series norby and the lost princess and norby and the invaders while firmly set in the sci fi genre there is also a heavy element of fantasy to the series the planet of Jamya is mentioned frequently a planet of bioengineered intelligent dragons and norby s original home'
'norby and the lost princess
May 26th, 2020 - a moderately rememberable norby book with an unusually annoying character the young princess of Izz whom Norby Jeff et al have to rescue and an unusually bizarre problem to solve the young princess has been turned into a tree other than that this is an above average entry in the norby series''
