'passion the watercolors of egon schiele herbert f

April 3rd, 2020 - egon schiele s short but prolific life 1890 1918 is neatly parenthesized between the waning

glory of the austro hungarian empire and the momentous final days of world war i his work captures the gap between appearance and reality in both the public and personal realms that was so prevalent in viennese society as in all of europe in the early days of the twentieth century'
