May 17th, 2020 - the short lived but much loved third bardo may have
been five years ahead of their time in 1967 but the world still hasn't
caught up the new york quintet only existed for a brief period during
which they released one now rare single the third bardo's entire
recorded output amounts to six tracks all cut on a single day in 1967
*and produced oddly enough by former 50s singer teddy"***five years**
