---

June 4th, 2020 - the road to little dribbling is an update on his first act notes from a small island of 20 years before the style of loving sarcasm is the same with the narrative sense of david sedaris and the one liner punch of jackie mason he renews one s faith yet again in the raw wit and humour available in britain and most importantly the british willingness to apply that wit and humour to themselves'

**'the road to little dribbling more notes from a small**

June 2nd, 2020 - praise for the road to little dribbling although he s now entering what he fondly calls his dotage the 64 year old bryson seems merely to have sharpened both his charms and his crotchets as the title of the road to little dribbling suggests he remains devoted to britain s eccentric place names as well as its eccentric pastimes alida becker the new york times book review y ou could'
