'customer reviews being aware of being aware

**April 21st, 2020 - the metaphors were most helpful in understanding the
meaning of being aware of awareness spira says the great difficulty people
have in being aware of awareness is entirely due to the fact that awareness
cannot be observed from an exterior vantage point as is the case in normal
object observer dualism'**

'being aware of being aware sahajapublications

**May 21st, 2020 - being aware of being aware in this investigation as the
mind turns the light of its know ing away from the objects of experience
towards its own essence it is gradually or occasionally suddenly divested of
its limitations and stands revealed as the very peace and hap piness which
it previously sought in objective experience'**
