### **overview of sociology s conflict theory thoughtco**

June 7th, 2020 - conflict theory originated in the work of karl marx who  
focused on the causes and consequences of class conflict between the  
bourgeoisie the owners of the means of production and the capitalists  
and the proletariat the working class and the poor focusing on the  
economic social and political implications of the rise of capitalism in  
europe marx theorized that this system premised on "**theory and history
