Shakespeare and gender the womans part

May 2nd, 2020 - Almost 100 years later new facts have emerged about women's relationship to theatre in the 17th century and while it's true that were we to reimagine Judith Shakespeare now she would still not be able to act on the mercial stage she would have been aware of women who did have access to education and who were actually required to train in the performing arts of dance eloquence and music'
