May 3rd, 2020 -  
for soldering  
connectors and  
other odd forms  
robots have  
several advantages  
pared with wave  
soldering in some  
applications it  
may not be  
possible to apply  
flux to the  
desired locations  
prior to wave  
soldering or it  
may be impossible  
to clean flux
