June 5th, 2020 -
whatever you were
thinking before you
could be wrong
appreciating how
photography changed
the world and how we
remember modern
history is essential
for society
photography is the

ultimate tool for capturing our surroundings with a realistic approach due to the very nature of capturing evidence it has impacted the way we remember things from our past'

kevin carter took one
iconic image that
changed the world and
ultimately helps
explain why he took
his own life'*

'book review 100
photographs that
changed the world
May 7th, 2020 - my
thoughts at first
glance there were two
very prevalent issues
with this book
firstly it could
essentially be
entitled 100 world
events accompanied by a
photograph it was
difficult to
ascertain whether the
photos in the book
were nominated
because of their
influences on
photojournalism or
simply because of the
importance of the
depicted event
itself''100

photographs the most
influential images of
all time
