just the way to start from the author of the gutsy girl this kids guide to activism is
the perfect book for those with a fierce sense of justice a good sense of humor and a
big heart this guide features change maker tips tons of diy activities and stories
about the kids who have paved the way before from famous''you are mighty caroline paul
June 2nd, 2020 - what i love about you are mighty a guide to changing the world by
caroline paul and lauren tamaki is that it gives kids ideas for ways to make a
difference ranging from small changes at the family level like use fewer plastic bags
to creative inventions that could actually make massive change the book helps them hone
their ideas and i like that the book includes tons of diy projects to try out along the
way'
