June 1st, 2020 - the weaknesses here are in terms
of the book s philosophical engagement and in
this sense unflattering does a disservice both to
the academic munity and the wider reading public
yes it offers up something a bit different to the

norm and is even an enjoyable read but dig slightly beneath the surface and you find unflattening suffers from many of the same problems it claims to address"nick sousanis unflattening openedition

June 6th, 2020 - in this regard unflattening is a book to be read and to be seen by showing the limitations of a two dimensional approach to the world unflattening encourages us to appreciate the affordances of multiple points of views and overe a mono modal approach to meanings in relying on the text as the primary means of formulating"unflattening by nick sousanis **goodreads**

May 11th, 2020 - unflattening is an experiment in visual thinking a scholarly discourse through the form

of ics how unique the author nick sousanis earned his ph d in interdisciplinary studies last year from teachers college columbia university where he produced his dissertation entirely in ics form'

'the visual linguist review unflattening by nick sousanis

June 4th, 2020 - review unflattening by nick sousanis nick sousanis recent book unflattening has been receiving praise for its freeing message and artistic execution the book was sousanis doctoral dissertation and in being a graphic work it thus embodies its message of attempting to break through the confines of the flatlands of received viewpoints that unconsciously pervade the ways we see the world'
