### **london calling song**

May 17th, 2020 - london calling was the first clash song to chart elsewhere in the world reaching the top 40 in australia the success of the single and album was greatly helped by the music video shot by don letts showing the band playing the song on a boat festival pier next to albert bridge on the south side of the thames battersea park in a cold and rainy night at the beginning of december 1979'
