**'john corigliano the red violin caprices 1999**

**May 25th, 2020 - these caprices posed in conjunction with the score for françois girard s film the red violin take a spacious troubadour inspired theme and vary it both linearly and stylistically these variations intentionally evoke baroque gypsy and arch romantic idioms as they examine the same materials a dark seven chord chaconne as well as that principal theme from differing aural viewpoints"*augustin hadelich plays the red violin caprices by john***

*May 31st, 2020 - the red violin caprices contain themes and ideas from corigliano s film score for the 1998 movie the red violin which i rewatched before this recording like most musicians i often roll my eyes at how classical music is portrayed in movies and the red violin manages to take just about all classical music clichés in existence and ties them together with pure pathos"***john corigliano listen on deezer music streaming**
