'the many meanings of bitte in german thoughtco

June 3rd, 2020 - note that bitte by itself still means you re wele but in this context the word is used as a shortened version or bitteschön or bitte sehr this makes sense because if the waiter is carrying a hot plate and wants to set it down but you are busy talking or drinking your coffee he certainly would want to use as few words as possible to get your attention so you ll free up some space'
