**ordinary beauty how folk art challenged the art world**

**June 2nd, 2020 - in the nyhs detailed catalog making it modern  
the folk art collection of elie and viola nadelman material culture  
scholar kenneth l ames writes about the emergence of folk art as  
a concept and the class dynamics of its social construction chairs  
and tables platters and jugs are empirical categories writes ames'**

**'folk art traditional crafts history characteristics**

**June 2nd, 2020 - traditional meaning within the world of visual  
art the vague term folk art is of rapidly declining significance for  
several reasons first no one can agree on what it means this is  
partly because the concept of folk springs largely from criteria  
laid down by 19th century aesthetes and aestheticians rather  
than from any objective characteristics"making it modern the folk  
art collection of elie and**

*April 21st, 2020 - published on the occasion of the exhibition making
