pratyaksha painting with dance elevates classical dance

May 20th, 2020 - alaripu the first
piece usually focuses purely on rhythm
meant to be inspired by cubism for the
production this piece was reimagined by
breaking down movements into their
essential parts from just the footwork
to the hand movements to the bols i was
pleasantly surprised by how well this
was done and could easily understand
the nod to cubism in the piece through
the distinct steps that''**go 4 indian
