'the anthology peter green songs reviews

credits

May 21st, 2020 - the fourth disc covers the highlights of green s solo career and while the tendency of some would be to dismiss it or at least regard it as more of an appendix to his classic years it turns out to be as vital as the rest of the set whatever personal demons green had to overe to get to the point represented here it will be plain to anyone that he brought as much energy and finely'
