'Where to get spivak calculus solutions Physics Forums
November 4th, 2013 - It is the textbook solution manual that is only available to instructors It is generally against academic rules for students to obtain instructor solution manuals so we do not support requests for such materials here on the PF There are some specialized solution manuals for students for some'

'A Comprehensive Introduction to Differential Geometry
January 24th, 2013 - Spivak really loves differential geometry as these books show I will restrict myself to the first two volumes for I

am unfamiliar with the rest
Everything is motivated with
the utmost care all the
abstract topological stuff
in the first volume is made
completely natural in
setting up the geometric
content of the second
volume'
