June 5th, 2020 - a monarch is the head of a monarchy a form  
of government in which a state is ruled by an individual who  
normally rules for life or until abdication and typically inherits  
the throne by birth monarchs may be autocrats or may be  
ceremonial figureheads exercising only limited or no reserve  
powers at all with actual authority vested in a legislature and or  
executive cabinet in many cases a monarch will also be linked  
with a state religion most states only have a single monarch at  
any given t'
