magazine**

May 19th, 2020 - since the lumière brothers  
cinema has developed as a photographic medium  
linked to literature and theatre the historic  
contention over whether films can be artworks  
has its roots in editing the second two shots  
are stitched together meaning is derived from  
the suture audiences today are especially  
media savvy trained to unconsciously derive  
meaning from juxtaposition and to see  
narrative'
