April 28th, 2020 - A curator from Latin cura meaning to take care is a manager or overseer Traditionally a curator or keeper of a cultural heritage institution e g gallery museum library or archive is a content specialist charged with an institution s collections and involved with the interpretation of heritage material including historical artifacts A traditional curator s concern necessarily"

**Notes on exhibition history in curatorial discourse**

**March 10th, 2020 - A Brief History of Curating is less about the history of curating suggested in the title than it is a story by and about curators told in first person perspective The form of the interview as a seemingly unmediated form of speech underlines the supposed authenticity of statements and constructs a form of authority that in turn legitimates the curator as author of the exhibition'**
