hierarchy topics sociology tutor2u

May 10th, 2020 - hierarchy describes a stratified system where people have clear positions or lines of authority in a school this might include the head teacher at the top then the deputy senior management heads of department teachers etc with the pupils being somewhere near the bottom sociologists argue that this hierarchy in schools prepares pupils for similar structures in their working life see the "*phrenology*

*May 26th, 2020 - phrenology from ancient greek ????? phr?n meaning mind and ????? meaning knowledge is a pseudoscience which involves the measurement of bumps on the skull to predict mental traits it is based on the concept that the brain is the an of the mind and that certain brain areas have localized specific functions or modules although both of those ideas have a basis in"***heads up sociology 9781465468635 dk books**
