May 12th, 2020 - the eyes of the skin is a shining example of
how prose can clarify the essentials of architecture by
referring to its secrets the need to investigate to find the
mystery of why architecture touches our emotions and soul'

'phenomenology architecture

May 22nd, 2020 - phenomenology in architecture can be understood
as a discursive and realist attempt to understand and embody the
philosophical insights of phenomenology according to dan zahavi
phenomenology shares the conviction that the critical stance
proper to philosophy requires a move away from a straightforward
metaphysical or empirical investigation of objects to an
investigation of the very'
