**'your very own robot choose your own adventure young**

**May 24th, 2020 - your very own robot imperfectly toes the line between realism and obvious fantasy but that kind of works for how the book is done even when the story s action is plausible it seems better to view it as a fun fantasy filled with events that aren t necessarily logical but can be enjoyable'**

**'your very own robot r a montgomery google books**

*May 19th, 2020 - r a montgomery was born in connecticut in 1936 he graduated from williams college and attended graduate school at yale university and new york university he is one of the initial authors of the choose your own adventure series and has written over fifty books for the series he currently lives in vermont'*
