'beginning five string folk banjo part one introduction

May 24th, 2020 - the most popular iteration of the banjo is the 5 string which includes a high pitched drone string that starts five frets higher than the other four strings and is seldom fretted sitting there at or near the top of the chord and ringing out a steady note for the whole song the fifth string adds not only to the distinctive tone of the banjo but also to the plications you run into when'
