**rebuilding place in the urban space obituaries relevant**

**May 17th, 2020 - the new york times sunday magazine runs a piece every  
year in december with obituaries of prominent and or interesting people  
who died in the past year the lives they lived 2014 i got to thinking  
that to better understand urbanism it would be important to do a similar  
feature every year mentioning profiling those people who died in the last  
year for their extraordinary contributions'**
