'marc chagall art life and symbolic expression

May 16th, 2020 - marc chagall gt art and life
marc chagall 1887 1985 has experienced a strange
fate in his former homeland of russia yet it was
to russia that chagall turned in days of joy and
sorrow symbolising his former homeland the snow
covered houses and orthodox churches of vitebsk
were a permanent feature of his paintings and
engravings right up to the very end'

'kim chun su cardiac slaves of the stars

May 10th, 2020 - the snow with thousands and tens

of thousands of wings es down from the sky and covers the chimneys and roofs of chagall s village when it snows in march in chagall s village fruits the size of mouse droppings once again turn the color of olives and at night the womenfolk start the loveliest fire of the year in the fire pit'

'flayed ox 1943 by marc chagall

May 13th, 2020 - the same monumental and allegorical power that we observed in the falling angel is displayed in flayed ox which was painted at roughly the same time this painting too goes back to an earlier motif which chagall had begun to work on in 1929 in remembrance of rembrandt and also most probably of soutine who was his studio neighbor in la ruche during the first parisian years'

'this dog was never kissed in her entire life until today

May 17th, 2020 - this dog was never kissed in her entire life until today ruby suffered terrible abused and neglect a life shared by most dogs of her breed until they are finally rescued'
