'jason crouthamel the great war and german memory society
February 18th, 2020 - these narratives from below and the author s
effort to follow the war neurotic s track until 1945 are certainly a
merit of this book which overall convincingly demonstrates the great
extent to which both policies towards psychically disabled veterans
were medicalised and to which the medical discourse on
psychological trauma was politicised"nguyen 1 jennifer nguyen
professor carlson expository

June 1st, 2020 - the immortalization of the vietnam war in american
popular memory has long hinged on the trauma that stemmed from
the conflict in the light of this the american cultural fixation on the
memory of vietnam is directly correlated to the profound trauma
that the war precipitated on the significance of cultural trauma the
scholar ron eyerman and "*bodies of memory narratives of war in
postwar japanese*

May 20th, 2020 - japan and the united states became close political allies
so quickly after the end of world war ii that it seemed as though the two
countries had easily forgotten the war they had fought here yoshikuni
igarashi offers a provocative look at how japanese postwar society
struggled to understand its war loss and the resulting national trauma
even as forces within the society sought to suppress"the violence of
memories local narratives of the past

May 8th, 2020 - suggesting a sceptical and nuanced view of such
explanations by analysing conflicting local narratives of self village

state war and history i highlight the malleable nature of these memories the importance of silences and the role of agency in positionings with regard to nationalist discourses'
